

Scottish Tea House

Tea Tour and Tea Tasting Experience with Afternoon Tea

Our story

At Scottish Tea House, we are a small, independent family business passionate about tea and dedicated to showcasing tea growing in Scotland. In our Tea Garden, we produce 'The Angels' Share', a single-estate organic black tea, which can be purchased from our shop. The Angels' Share was awarded Highly Commended by 'The Leafies' 2025.

We offer groups and FIT travellers a unique and memorable tea tour and tasting experience, complete with afternoon tea, providing an authentic taste of Scotland.
