## Testimonials

The private tour was amazing. Joanne was so knowledgeable about the different Scottish foods, wines, and whiskies and was so personable. I recommend booking early in your trip so you know food items to try through your stay. 10/10

My wife and I had an amazing time on the tour. We learned a lot about wine and whisky that we didn't know, and got to taste a lot of great food. We highly recommend this to anyone coming to Edinburgh who wants to experience local cuisine with a nice wine pairing, as well as plenty of whisky to choose from.
